# New Location for an Old Plan

Now introducing... the Walkley Pollinator Project at Fielding!

Pending the final stamp from the OCDSB, we will be able to proceed with the funding from the Community Environmental Project Grants Program (CEPGP) and build a beautiful garden adjacent to Walkley filled with indigenous plants for the all the bugs and the birds.

# Thank you to the Bernies

For finishing up the tidying of the community garden space for the year just in time before snow started to fly.
