

Please find below a list of actions that I've noted while doing the minutes. As you can see, most of them are things that will take some time and involve Riley, but we should nevertheless stay on top of them as they touch upon important, but also divisive issues in the community:

**Short term:**

- Issue electronic gift cards for the Halloween contest.
- Select Christmas contest winners / issue gift cards.
- Fix formatting of the presentation PDF to make it fit the Zoom screen (to landscape?).
- Find money to pay MASC / pay MASC - Brigil had agreed to give \$2,000, the city \$1,000 and the RPCA the last \$1,000.
- Provide feedback / input on proposed survey

**Longer term:**

- Councillor Brockington suggestion - map out parks and their amenities throughout RP to identify gaps.
- Liaise between parties and the Councilor's office to find the ideal location for the community gardens.
- Continue contacts with Riley's office to discuss next steps on the WWR modifications.
- Articulate main concerns regarding festivals to Riley's office

I am not sure how all these contacts with Riley's office, but I imagine they need to be done transparently given that some of the topics are sensitive.
