Outdoor Rink OPEN HOUSE

Revamped Outdoor Rink Information Session

Hello Rink Sponsors, Operators, and Volunteers.

You're invited to our Outdoor Rink Program – Open House Information Session. Join us for a drop-in open house covering everything you need to know about operating an outdoor rink. Explore displays and chat with our team about:

- The full process of building and maintaining ice
- Recommended tools and equipment, including samples and displays.
- Required maintenance tasks and practical tips on how to complete them
- Operator responsibilities
- Key processes, policies, rules, and regulations Troubleshooting common ice issues

This is a drop-in session designed to respect your time. Please visit anytime between 10:00am and 12:30pm to browse the displays, learn at your own pace, and connect with staff who can answer all your questions. We look forward to seeing you there!
