Paget Park: Preliminary Outreach Survey

- Through December and January, the Gardening Committee conducted a neighbourhood survey about the proposal to host a community garden at Paget Park.
- Houses, condos, and apartments in the immediate vicinity of Paget Park were flyered and posters were affixed to community mailboxes.
- The 19 responses received demonstrated unanimous support for proposal and provided very inspiring feedback.
- Subsequently, our application with Just Food was been filed.
- Next steps include waiting for feedback from the City of Ottawa.
